Customer Service Management

Let us enhance your focus.

We accept outsourced handling of your customer inquiries, complaints and feedback sent via e-mail.

If you let us take non-voice customer service off your hands we will enable you to focus on your core business. Here are the advantages to outsourcing your customer service to us:

- **Standardize the Process:** Efficiency is the natural outcome of a streamlined process. Let us create order out of chaos.
- **Create Spiels:** We craft carefully worded spiels that can quell a complaint, promote a product or simply address an inquiry.
- **Develop an Escalation and Risk Management Plan:** Your reputation is your most valuable asset. Make sure you entrust it to someone who can manage it.

Management Fees for this service is variable, depending on client specifications.

Market Research

Let us map out your success.

Done right, research can give you your roadmap to success. Do it wrong and expect a few losses ahead. Don't risk it, hire us. Let the experts handle this critical function.

Our services cover market research design, implementation and analysis. Fees depend on the scope of research brief and Lead Consultant Fees are separate from the field researcher's fees.

Management Fees for this service is variable, depending on client specifications.

Talent on Retainer

Let us tap the best marketing talent.

Gain access to the best marketing talent only when you require it so that you can keep your company lean without losing out on opportunities.

Consultant can come in at a specified schedule with a specific job function or package can include on-call consults only. It can cover people management or Consultant can come in as an individual contributor, all depending on client requirements.

Retainer Services allows your company to access our expertise only when needed at the budget you can afford without compromising the skills and qualifications you need to get the job done.

Packages and Fees

Regular Retainer

A specific job function and regular scheduled attendance more akin to a regular employee costs Php10,000 per day for face-to-face attendance plus Php2,000 transportation and meal allowance for engagement of the Lead Consultant. Virtual attendance via ZOOM on WFH basis is only Php8,000 per day.

Junior Consultants charge less and have a more negotiable professional fee, and they will be remotely supervised by the Lead Consultant.

Custom Retainer

Packages can be designed specific to client needs and may or may not tuck in other services like White Paper Services, Research Work or Creative Services, among others.

On-Call Retainer

An on-call arrangement means the Lead Consultant will make herself available for telephone and ZOOM calls of a specified number per month. The fixed monthly rate will vary based on the client's estimated number of calls and ZOOM consultations. The charge per ZOOM attendance is Php1,500 per hour and Php500 per telephone consultation up to 20 minutes.

Junior Consultants are not available for this package as this set-up will not allow time for briefing.

Creative Services

Let us create your brand story.

Creative Services include writing services for articles, scripts, blurbs, ad copy. It also includes development of taglines, name studies, brand themes and concepts. May also cover video production and design of brochures, posters and signages.

The benchmark fees for Production & Design indicated only cover creative concept development of the Lead Consultant. The artistic team has a separate fee. For Writing Services and Brand Asset Development, only the Lead Consultant is paid.

Creatives is the Key to Branding

Writing Services

Writing Services is Php100 per word with a minimum of 100 words. This covers articles, scripts and brochure copy.

Blurbs, ad copy and other creative material that is brief by nature are not priced per word but by category and scope of use, if it's going to be used in the website, advertisement or signage. This is variable in pricing but a minimum charge for the simplest job order is Php30,000.

Production & Design

This category covers conceptualization & design of brand materials like brochures, sales kits, proposals, memes, signages, social media posts, signages, etc. Video production also falls under this category, but might incur additional charges for script development and video shoot.

The charges for this category is highly variable depending on client requirements.
